

Plainfield Planning Commission Meeting

November 7, 2016

Present: Karen Storey, Jean Hamilton, Cito Hardy, Will Colgan

Agenda: Approval of minutes from previous meeting; Review significant wildlife habitat.

Approval of Minutes: Cito moves to approve, Karen seconds. Approved.

Jens recommendations on significant wildlife habitats:

Jens Hilke revised his map with further information about significant wildlife habitats. Will followed up with Jens about what guidelines to use.

Will suggests using a series of maps and data points for identifying the “significant wildlife habitats.” It will be available to be referenced as the Zoning Administrator currently references ANR resources.

Will will ask Dan Courier for a pdf of the Jens map with:

- parcels
- roads
- key

And ask Eric Vorwald about guidelines on significant wildlife habitat mitigation.

Draft language:

“For major subdivisions with more than 25% of the parcel overlapping with significant habitat zones....”

Karen discusses need for updating permitting forms and permitting instruction flow chart.

Cito makes motion to adjourn. Karen seconds.

The meeting was adjourned at 7:45 PM
