

## **Plainfield Planning Commission Minutes**

**Monday June 17th 2024**

Attending were Will Colgan, Jesse Cooper, and Karen Storey

Approval of Minutes: Jesse made the motion to approve the minutes of the last meeting and Will seconded the motion. The motion was approved.

Jesse made the motion to approve the draft zoning language to start the hearing process. Will seconded the motion and it was approved.

Karen said she will be able to continue on as zoning administrator only until the end of the July and the replacement should be found as soon as possible for an easy transition. Will sent a posting to Bram that went onto the town website last week for new applicants. The Planning Commission needs to recommend a person to the Select Board who does the approval of the person to the position. We will try to get our recommendation done at the next meeting.

Will said he would ask about using the town Zoom account so the meetings starting in July can be recorded and posted to the town website for 30 days as required by the new open meeting law.

Meeting adjourned at 7:22
