

## Plainfield Conservation Commission April 19, 2023 Minutes

**Present:** Rose Paul, Julie Hackbarth, Becky Atchinson, Mary Trerice

**Minutes:** March minutes were approved as written.

**Officers and Organization:** We were relieved and grateful that Rose offered to be chair. (So elected!) Mary will continue to be Secretary. Rose now has the zoom subscription for the PCC and we approved her submitting a reimbursement for the yearly fee. She also said that Serena would like to remain as a member though she can't always attend meetings but will help in other ways.

**Green-Up Day:** Becky has it all in hand. She reported that Twinfield students will again be helping and the Cutler Library will be another source of bags. We all took on posting duties and Becky will deliver posters to us. (Mary to contact Bob F. about posting to Town website.)

**Tree and Plant Sale:** Rose sent us the roster of duty sign-ups. Sales seem pretty strong and she reminded us that it will be Plainfield's turn to host next year.

**Town Forest:** Rose will get quotes on brush hogging trails and will arrange for that to happen.

**Rain Garden:** Becky and Rose will scope it out and see if Mike B., town road foreman, can clean it out.

**Future Meetings:** May, June, skip July and August unless there is pressing business. Rose will look into our posting requirements.

**Adjourn: 8:06**

Respectfully submitted,  
Mary Trerice
