

TOWN OF PLAINFIELD
CEMETERY COMMISSION

Weather permitting, The Cemetery Commission for the Town of Plainfield will meet Wednesday June 17, 2020. The meeting will be at 5:30 PM at the Bisson Cemetery off Lower road.

We will meet while observing the current isolation rules with face masks and will observe social distancing. Any members of the public that wish to attend are asked to wear a mask and keep appropriate distance. The formal meeting will be brief perhaps 15 minutes. From a visit, it appears that there are only two or three monuments that need to be straightened.

The agenda:

Introduction of Commissioners and any members of the public that may be attending

Approval of previous Zoom remote meeting minutes - Wednesday May 20, 2020

Act on any expense warrant(s), deed(s) for lot(s) or other business from our Town Clerk, Linda.

Discussion of the Green Burial document distributed at the last meeting.

Repair of the other big toppled monument at the Center Cemetery.
