

The Cemetery Commission for the Town of Plainfield met on Wednesday January 18, 2017 at 5:30 pm at the Plainfield Fire Station

Commissioners Present: Greg Light, Karla Haas Moskowitz, and Ed Hutchinson.

The proposed minutes of the December meeting were approved

Old Business:

The tree(s) at the Center Cemetery.

Steve Farnham had offered an informal proposal.

Consensus was reached that a fully insured business should be hired.

It was suggested that other work might be necessary (as Steve had mentioned that several other trees, one in particular had a large trunk splitting away from the tree). Perhaps several trees should be removed and replaced with new plantings?

Ed volunteered to ask Nicko Rubin to assess the condition of all of the trees. And seek one or more proposals.

New Business:

Karla was in the process of moving out of town and would be unable to continue as a commissioner. We were sorry to have her leave.

The meeting adjourned at 5:58.
