### **DAM & FIRE HAZARD STRATEGIES?**

**Hazard Mitigation Committee meets on Thursday, Nov. 21 at Town Hall at 7 p.m.** Please stop by and listen in, or attend via Zoom.

This is a public event. Each month we try to introduce a topic that could become a future risk for residents... for discussion and problem-solving. Handicapped accessible. (Please **carefully** pull into front parking space to access the building.)

This month: ***Plainfield has been shown inundation maps to help plan for dam emergencies. How are they best used?***

*And also... In Fire Season, how do we reduce potential wildfire damage to homes near the forest?*
