

Hazard Mitigation Committee Minutes
January 19, 2017

Present: Bram Towbin, Amos Meacham, Yoko Kishishita, Dan Gadd,
Michael Billingsley

6:17 convened

Michael moves, Bram seconds - amend agenda.

1. Bram reports that most available money will be going to sediment reduction, and not so much for disaster response - so bridge may not be funded. Stone Environment agent working now as head of ANR.

Also - storm water management district of Plainfield, Barre City and Barre Town - guided by a master plan design by DuBois and King. RFP sent.

Jim Volk and Alexandra Thayer candidates for Selectboard, to replace Bram. Bram will continue as Road Commissioner. and will have as many responsibilities.

2. Minutes from the last meeting - moved by Bram, seconded by Dan

3. Solar initiative for sewage treatment (grant not applicable).
Conversation about solar vs. air vs. hydro.

4. Prioritization discussion - introduction of possible scenarios for potential hazard ranking.

Five persons participate

5. 8:10 adjourn
