

Town of Plainfield
Lister Vacancy

The Town of Plainfield needs to fill a vacant Lister position. We are looking for someone who is interested in houses and people and who would like to help the Town. This job is very part time and is PAID! The busiest time is May when most inspections are done and we get the other pieces put together.

Listers must be Plainfield residents. The ideal person would be comfortable with computers and willing to learn.

The Select Board will appoint someone to serve until next Town Meeting. Due to this position being elected, the appointed person will need to run for the office at the next Town Meeting.
