**Town Forest:** Mead, Rose, and George will try for some trail work though there is substantial snow on the ground and they may not be successful. Mo is trying to find a few extra workers.

**Town Report:** Julie had circulated a draft of the narrative and it will be submitted to the Town Clerk before the end of the month. Rose will finalize the financial report with Josh. We would like to be able to show the interest earned on the reserve accounts. We will ask for an increase for our operating costs. We spend on zoom fees, dues, and the occasional educational program.

**Possible Program:** April is International Dark Sky Month and we have a possibility to show a movie. This could be another collaboration with the library and possibly others. Mary will check the reading list on DarkSky.org and speak with Angela about the books and movie.

**Wetlands Rules Changes:** We will continue the discussion in January and then submit a letter to ANR and our State legislators. Rose has circulated a draft to get things started.

**Adjourn:** 8 pm

Next Meeting: January 21, 2026

Respectfully submitted, Mary Trerice
