

## **Plainfield Planning Commission Meeting**

May 18, 2020,

**Present:** Will Colgan, Jesse Cooper and Karen Storey

Town Plan Hearing

Karen said Sasha Thayer called her and said since she did not officially resign from the Planning Commission could she start back up as a member. Which she said she would.

Jesse made the motion to approve the minutes and Will seconded it. The motion was approved.

Jesse spoke with Linda Wells who said the town office was not ready to have a public meeting.

We don't know at the moment how the Opera House operates with the current restrictions.

Jesse said he will contact Dave Strong and Steven Light to find out the status of the Opera House and Will can contact Sasha about the current town policy on occupying Town buildings.

Karen asked about posting the hearing in town and that it would be a good idea to post the information on multiple town social media sites.

Will can look into getting a version of Zoom that is not limited to 40 minutes for the hearing.

**The meeting was adjourned at 7:38. The next meeting is Monday June 1<sup>st</sup>. 2020 at a Zoom scheduled meeting.**
