

Is Your Home Storm Smart?

Where does the rain fall and flow through your property? We want to help you find ways to slow it down, spread it out and sink it in.

To schedule a **FREE Storm Smart** assessment on your property, contact the Winooski NRCDC at 802-828-4493 x3178 or info@winooskinrcd.org

Storm Smart provides people in the **Winooski Watershed** with hands-on help to keep water on their property and stop it from causing damage downhill and downstream.

This project has been funded wholly or in part by the United States Environmental Protection Agency under assistance agreement (LC00A00605) to NEIWPCC in partnership with the Lake Champlain Basin Program.
