

Water and Wastewater Commission Meeting

April 6, 2015 5:00 PM

Minutes approved April 13th, 2015

Present: Mary Lane, Chair, James Jamele, Karen Starr and Greg Chamberlin, Facility Operator

Chair Lane called the meeting to order at 5:19pm

Discussion of agenda, agenda adopted.

Jim Jamele made a motion to accept Greg Chamberlain's letter from 2011 in support of Artichoke's design of Goddard College's proposed biomass heating plant.

After discussion of concerns Greg Chamberlain has in light of the most recent information about the planned project, Karen seconded the motion to accept Greg's letter. The motion was carried unanimously.

Jim made a motion to accept "Letter to the Select Board Re: Goddard's Biomass plant." Karen seconded that motion and it passed unanimously. Greg will deliver it to the Special Select Board meeting at 7:00pm this evening. Letter attached.

The remaining agenda items will be discussed at the next Commission meeting on April 13th at 5:pm.

Jim moves to adjourn at 6:50 pm. Seconded by Mary. All are in favor and the meeting is adjourned.

Respectfully submitted,

Karen Starr
