

## **Plainfield Water/Waste Water Commission**

### **Meeting Minutes for Special Meeting Held March 1, 2017**

Present: Mary Lane, Tim Phillips, Jim Jamele

1:00 PM - Meeting called to order.

Jacob Drown – a former operator for the Plainfield system – is available to work weekends to give Tristan some respite while Greg is laid up. Jacob is a licensed operator and knows the system. He understands he needs to provide his own liability insurance.

The Commission approved hiring Jake to work as a limited term appointment while Greg is in recovery from his shoulder surgery, and to be added to our list of available substitute operators. The Commission approved paying Jake at the same rate Tristan for weekend work. As Jake will be a private contractor, the Commission will negotiate pay in accordance with industry standards, for any regular hours when we call him in to work.

1:15PM meeting adjourned.
