

**Plainfield Water/WasteWater Commission
Special Meeting Minutes for January 23, 2026**

Present In Meeting: Scott Stewart, Mary Lane, Tristan Macgregor-Stewart, Tim Phillips, Karl Bissex

2:32 Meeting called to order

Discuss, Finalize 7/1/ 2026 - 6/30/27 Water/Wastewater Budgets

The Water budget was corrected so the total reflected the rate of \$708 with the extra \$175 being added to Miscellaneous

The Commission approved Goddard having 94 units of waste water instead of being charged %20 of the waste water budget expenses.

WasteWater budget
changed the Chemicals to \$5,000 to account for potential need to pay for chemicals received that a request to pay for has not been received yet

The Commission calculated rates and adjusted budget items until achieving the final budget.

The final budget was \$392,055

With 442.5 units, this leads to a yearly cost per unit of \$886. This is a yearly increase of \$42 or a 5% increase.

Vote on the 2026-2027 FY Water Budget

The Commission approved the proposed budget at \$311,874.

Vote on 2026- 2027 FY Wastewater Budget

The Commission approved the proposed budget at \$392,055.

Vote on 2026-2027 FY water and wastewater rates

The Commission set the waste water rate at \$886 per year or \$443 biannual. which is a 5% increase

The Commission set the water rate at \$708 per year or \$354 biannual, which is a 4% increase.

Other business
