Executive Session, 1 Interview was held. A discussion was held following the interview. We chose 2 candidates we believed would be appropriate. We decided to offer the position to the top candidate. Tristan is to call and offer the position to that candidate. If that person decides not to accept the position, candidate number 2 will be offered the position. Scott will call 2, and Mary will call 3 of the other candidates to let them know another candidate was chosen. The meeting was adjourned at 4:36 PM.

Respectfully submitted,
