**Discussion Actions Needs For Water Line Issue On Barre Hill**

Greg flushed the lines on Barre Hill road for an hour and 40 minutes to get it run clear. The flow in the line is about ½ what it should be. Greg/Tristan will try to flush the line weekly to keep it clear.

Discussion about adjusting budgeting.

Tristana and Greg are thinking that by flushing the line we can put off rebuilding the line for a while, hopefully until we can get more money.

Plan to do the replacement of the line in two parts. FY22 first part, FY23 last part

\$253,000 is the estimate from the Asset Management Plan for replacing the Barre Hill pipe.

Decided to reduce waterline repairs to \$10,000 and put the Capital Improvement to \$50,000 for the FY21 budget that we are working on.

**Other business**

None

Next meeting is January 5th from 2PM to 4PM

The meeting adjourned at 2:43PM
