

**Plainfield Water/WasteWater Commission  
Meeting Minutes for February 17, 2021**

Present In Zoom Session: Tim Phillips, Carol Smith, Greg Chamberlin, Josh Pitts, Mary Lane, Tammy Farnham, Alice Merrill

5:18PM Meeting called to order

**Review/approve agenda**

Agenda approved

**Review/adopt minutes**

Approved minutes for January 11th and January 19th 2021.

**Tammy Farnham, Alice Merrill**

Tammy and Alice were present in the Zoom meeting from 5:30PM until 6:45PM (the duration of this portion of the meeting)

The State thinks it knows where the pipes are in the right-of-way. The estimate of the town's portion for replacing these pipes is \$200,000 to \$250,000. Current thinking is this project is 3 to 5 years in the future.

We discussed relocating the pipes out of the intersection in advance of the project. That would save the system money later as the new lines would not be in the middle of the intersection when they eventually need replacement. It would also simplify the intersection project as there will be no need to maintain service while the project is underway.

**Clerk's financial report**

Water billing is coming in nicely.

Goddard bills for water and wastewater have been sent.

Montpelier forgot to bill us for a sludge disposal so we had another one of those.

**Chief Facility Operator's report**

The trash-rack is still not working properly. The trash-removal drum replacement that was on order has arrived and Greg has arranged to have it installed.

About 30,000 gallons of water going out and seeing 50,000 gallons of incoming waste water.

**Approve warrants**

Warrants for 01/22/2021,01/26/2021, 01/29/2021, 02/02/2021, 02/05/2021, 02/08/2021, 02/12/2021 were approved.
